

LESS STRESS, MORE SUCCESS.

**Your online store,
our expertise!**

ABOUT US

**Two experts,
one goal!**

Together we use our expertise to provide you with a seamless entry into online selling, complete with full technical support.

Mike Hell

brings 24 years of experience in programming, 17 years in advertising technology and textile finishing.

Sascha Hell

as been managing a gym for 16 years, has been offering physiotherapy for 9 years, and is also active as a personal coach.

HOW DOES OUR SHOP SYSTEM WORK?

**Your shop,
but better!**

Thanks to automatic product catalog integration and constant synchronization, you can immediately offer a wide range of products – all products directly from Swiss stock. Logistical processes are also taken care of, so you can fully concentrate on your business.
